Submitting the Walk to Emmaus application is just the beginning of a great gift to your new pilgrim. It is also just the beginning of an ongoing responsibility for you, the sponsor. Your follow-through of the following sponsorship responsibilities is an important part of the whole Walk to Emmaus program.

PAGE 4 of the Sponsorship booklet notes four things to consider when sponsoring. Please spend some thought on each one. Answer each question with a **yes** or a **no**. **If your answer is not "yes" for each question, then consider postponing the application for a better time.**

_____ Is s/he at the right stage of spiritual development to benefit from the type of experience a Walk to Emmaus would offer?

_____ Is the individual searching for a deeper and more meaningful spiritual relationship with Jesus Christ? (Page 8 recommends not just a Christian orientation but *fervor!*)

_____ Is the person attending a worshipping fellowship?

_____ Is s/he burdened by any major crisis, which may emotionally interfere while attending the Walk? (The Walk to Emmaus is not appropriate for those seeking solutions to personal crisis)

PAGE 11 and 12 suggest what to tell your new pilgrim about the Walk:

_____ Have you read the paragraphs on "Things you must tell a Pilgrim," "Things you will want to tell a pilgrim," "Things you may not want to tell a pilgrim," and "Things you will not tell a pilgrim?"

_____ Have you explained the Walk to Emmaus to your applicant and spouse (if applicable)?

PAGES 5-7 and 9-11 talk about what a sponsor needs to do:

- _____ Have you read and are you willing to take on the responsibilities of a sponsor? It may help to keep the booklet out as a follow through reminder.
- _____ Will you or an Emmaus person you designate support your applicant's family/spouse by providing transportation, active friendship, prayer, childcare, and other needs during the Walk?
- _____ Will you arrange for transportation for the new pilgrim? (Transportation must be provided by you or another Emmaus person. Do not arrange for a pilgrim to come on his/her own. Tradition is that a meal en route is provided by the sponsor.)
- _____ Will you take personal responsibility for your new pilgrim's 4th Day growth through: continued prayer support; help and encourage participation in a reunion group or other group oriented to spiritual growth; car pool or make plans to meet at gatherings, including the 4th Day gathering (held 2 weeks after the Women's Walk); urge the new pilgrim to participate in further church activities and Emmaus Walks?

Additional information that will help ensure that your new pilgrim has a dynamic Walk to Emmaus experience.

- _____ Is your new pilgrim on a special diet? Some pilgrims do not mark this on their application because they do not want to complicate things. We want to take personalized care of each pilgrim. Talk to your applicant and check this out. Give information here that is not already on the Application, part 1.

- _____ Does your pilgrim have a sight, hearing, or mobility problem? Give details so the Inn Team can be prepared as appropriate. (Example: Getting up from floor difficulties. As sponsor, can you arrange for a small high bed or cot?)

Please include any other comments that you feel will be helpful:

The prayer vigil has a place for prayer requests and prayer offerings to be written. If you would like to include one for your pilgrim, you may include an envelope addressed "Prayer Vigil" among the agape letters. STAY FOR SPONSORS HOUR, which happens immediately after the registration time. This is a time for verbal prayers as the Walk begins. If for any reason you *CANNOT* stay for Sponsors Hour, please ask an Emmaus person to stand in for you. Your presence in Sponsors hour is an important part of sponsoring.

I PROMISE TO FULFILL THE DUTIES AND OBLIGATIONS OF A SPONSOR.
